

## Family Worship Guide Week of February 1, 2015

One of the ways SC Kids partners with parents to make disciples of Jesus is to provide resources that promote discipleship in the home. This Family Worship Guide is intended to give parents content from this week's lesson to discuss with their children throughout the week.

### ADDITIONAL RESOURCES

For additional family devotionals you can purchase "Old Story New: Ten Minute Devotions to Draw Your Family to God" at [amazon.com](http://amazon.com) or from the Sacred City Bookstore on Sunday.

---

### SING

When we experience the grace of God it causes us to sing! As we teach our children about the grace of God we must teach them how to respond to it as well. So as you are discipling your children remember to teach them to sing. Not only is singing an act of worship, but it can be a great way to help you children learn memory verses and big truths about God. We recommend [www.seedsfamilyworship.com](http://www.seedsfamilyworship.com) or picking up the CD that goes along with the Morning Star Catechism from the Sacred City Bookstore.

### PRAY

Even though God already knows exactly what we need, he wants us to come to him and ask him for help. Philippians 4:6 tells us to "make our requests made known to God." Lead your children in prayer by thanking God for all of the things that he has provided for your family (food, clothes, shelter, health, family, etc.); especially for how Jesus has completely met your needs. Then ask your kids what else they might need help with and ask God for those things.

Q 6. Are there more Gods than one?

A 6. There is only one God.

Deuteronomy 6:4 Hear, O Israel: The LORD our God, the LORD is one.

*Be sure to revisit previous questions with your children to maintain memory retention. If you child has mastered the first five questions please lead them on to the next catechism questions. Feel free to tailor this to suit your family and your child's progress.*
